

RECREATIONAL CRAFT

United Kingdom Conformity Assessment Bodies

The following is a list of organisations which have been appointed to be Conformity Assessment Bodies for the purposes of the Recreational Craft Regulations 2004 (as amended) within the scopes indicated below. Other organisations have applied to be appointed and this list will be updated as and when required.

This list is correct as of **June 2006**.

AV Technology Ltd

AV Tech House
Birdhall Lane
Cheadle Heath
Stockport
Cheshire SK3 0XU

Contact: Mr Alan Matthews
Tel: 00 44 (0) 161 491 2222
Fax: 00 44 (0) 161 428 0127
<mailto:alanmatthews@avtechnology.co.uk>

EC Number 1067

Appointment of AV Technology Ltd as a notified body under Regulation 12 of the Recreational Craft Regulations 2004, which implements the provisions of Directive 2003/44/EC

- **Noise Emissions**

Design categories A, B, C and D for recreational craft from 2.5 m to 24 m and personal watercraft for conformity assessment in accordance with Schedule 6, Modules Aa, option 1 B for Noise emissions only

Human Performance Improvements Limited

Unit 14 Seaway Parade
Baglan
Port Talbot
SA12 7BR

Contact: Mr Terry Egginton
Tel: 00 44 (0) 1639 823962
Fax: 00 44 (0) 1639 821395
<mailto:terry.egginton@hpi-uk.com>

EC Number 1521

Appointment of Human Performance Improvements Limited as a notified body under Regulation 12 of the Recreational Craft Regulations 2004, which implements the provisions of Directive 2003/44/EC

- **Design and construction**

Design categories A, B, C and D for recreational craft from 2.5 m to 24 m and partly completed boats, personal watercraft for conformity assessment in accordance with Schedules 6, 7, 10 and 11 (Modules Aa, B, F and G).

Components as listed in Schedule 2 (Annex II) for conformity assessment in accordance with Schedules 7, 10 and 11 (modules B, F and G)

- **Noise Emissions**

Design categories A, B, C and D for recreational craft from 2.5 m to 24 m and personal watercraft for conformity assessment in accordance with Schedules 6 (Module Aa)

- **Exhaust Emissions**

Design categories A, B, C and D for recreational craft from 2.5 m to 24 m and personal watercraft for conformity assessment in accordance with Schedule 7 (Module B)

- **Post Construction Assessment**

Design categories A, B, C and D for recreational craft from 2.5 m to 24 m and personal watercraft for conformity assessment in accordance with regulation 10 (6) (Article 8.1)

Royal Yachting Association (RYA)
RYA House
Ensign Way
Hamble
Southampton
Hampshire
SO31 4YA

Contact: Mr Ken Kershaw
Tel: 00 44 (0) 2380 604201
Fax: 00 44 (0) 2380 604289
<mailto:rkd@rya.org.uk>

The Vehicle Certification Agency (VCA)
1 The Eastgate Office Centre
Eastgate Road
Bristol
BS5 6XX

Contact: Mr Michael Hepworth
Tel: 00 44 (1) 117 951 5151
Fax: 00 44 (0) 117 952 4103
<mailto:enquiries@vca.gov.uk>

EC Number 1681

Appointment of the Royal Yachting Association (RYA) as a notified body under Regulation 12 of the Recreational Craft Regulations 2004, which implements the provisions of Directive 2003/44/EC

- **Design and construction**

Design categories A, B, C and D for recreational craft from 2.5 m to 24 m and partly completed boats, personal watercraft for conformity assessment in accordance with Schedules 6, 7 and 11 (Modules Aa, B and G).

Components as listed in Schedule 2 (Annex II) for conformity assessment in accordance with Schedules 7 and 11 (modules B and G)

- **Noise Emissions**

Design categories A, B, C and D for recreational craft from 2.5 m to 24 m and personal watercraft for conformity assessment in accordance with Schedules 6 and 12 (Modules Aa and H)

- **Post Construction Assessment**

Design categories A, B, C and D for recreational craft from 2.5 m to 24 m and personal watercraft for conformity assessment in accordance with regulation 10 (6) (Article 8.1)

EC Number 1580

Appointment of the Vehicle Certification Agency (VCA) as a notified body under Regulation 12 of the Recreational Craft Regulations 2004, which implements the provisions of Directive 2003/44/EC

- **Noise Emissions**
